Some of SBEA's most noteworthy speakers have only positive expectations for the event. "I look forward to meeting different regulators and operators from across the world. I hope to experience the world at the summit. Such interactions highlight common challenges and solutions for regulators and also afford us a unique opportunity to view the sector from the operator's point of view. It's also a great opportunity for business networking especially for operators and intending operators". – Edgar Agaba, CEO, National Gaming Board, Uganda

"I really forward to the sharing of knowledge and the networking. The exchange, the new regulations, and best practices in the industry" – Chhayan Ringadoo, CEO, Gambling Regulatory Authority, Mauritius

"I am looking forward to listening to other jurisdictions' experiences whether from a regulator perspective or an operator perspective. Exchanging best practices is always good for the growth of the industry. " – Amne Suedi Kagasheki, Principle Founder, Shikana Law Group
